I'm Adil Rasheed, a versatile professional with a solid foundation in **Data Science** and over 5 years of hands-on experience in crafting responsive, high-performance **Wordpress Websites**. Combining my expertise in both domains, I offer a unique blend of technical experties and creative problem-solving.

Data Science & Analytics:

- Proficient in Python for data analysis, machine learning, and scripting
- Skilled in SQL for database management, querying, and manipulation
- Experienced in statistical analysis, predictive modeling, and data visualization using tools such as Power BI and Tableau,
- Experience with data cleaning, preprocessing, and feature engineering
- Knowledgeable in machine learning algorithms such as regression, classification, clustering, and deep learning
- Familiarity with data mining techniques and big data technologies
- Proficient in R for statistical computing and graphics.

WordPress Development & Web Solutions:

- WordPress theme customization and plugin development, Divi, Elementor, WIX, Shopify
- E-commerce solutions implementation (WP-Ecommerce)
- Website security, malware removal, and HTTPS implementation
- Site migration, speed optimization, and UX/UI enhancement
- LearnDash management system (LMS) integration
- Server administration and penetration testing

PROJECTS

05/2024 - 05/2024

➢ Online Payment Fraud Detection

Online payment is the most popular transaction method in the world today. However, with an increase in online payments also comes a rise in payment fraud. The objective of this notebook is to train machine learning models for identifying fraudulent and non-fraudulent payments. **View Project**

➢ Crop Prediction
06/2023 - 06/2023

Accurate and timely estimation of crop yield at a small scale is of great significance to food security and harvest management. **View Project**

➢ Breast Cancer Prediction

04/2023 - 04/2023

CERTIFICATIONS

- Certified What is Data Science? **[View]**
- Certified AI for Everyone **[View]**
- Certified Python for Data Science, AI & Development **[View]**
- Certified Data Science Methodology **[View]**
- Certified Python Project for Data Science **[View]**
- Certified Machine Learning with Python **[View]**
- Certified Data Science Virtual Experience Program
- Certified Python And Flask Demonstrations Practice Course **[View]**
- Certified Responsive Web Design **[View]**
- Certified Bootstrap & jQuery **[View]**
- Certified IT FOR E-ROZGAR(TECHNICAL)
- Certified Shopify guide: The complete Shopify store creation course **[View]**
- Certified Adobe Lightroom Classic CC: Master the Library Module **[View]**
- Certified Advanced Styling with Responsive Design **[View]**

EDUCATION

BS in Data Science
Government College University, Faisalabad   01/2021 - 01/2025

WORK EXPERIENCE

Senior Web Developer & Data Scientist   12/2019 - Present
Upwork

Senior Web Developer   12/2017 - Present
Arooj Enterprises

Project Manager   12/2015 - Present
Arooj Enterprises

Senior Web Developer   12/2018 - 11/2021
Fiverr

SKILLS

- **Data Science:** Artificial Intelligence (AI), Big Data Analytics, Data Analysis, Data Science, IT Management, Jupyter Notebooks, Pandas, Python Programming, Python (Programming Language), Sklearn, SQL, Statistical Data Analysis,

- **Website Development:** Cascading Style Sheets (CSS), Store Management, Web Applications, Web Maintenance, Website Building, Website Developer, Website Updating, Web Scraping
